UNIVERSITY, KAPURTHALA**

## ABOUT IKGPTU

I.K.Gujral Punjab Technical University (IKGPTU) was established by an Act of State Legislature on 16th January, 1997, to promote technical, management and pharmaceutical education in the state at degree level and above. The University has the mandate to set up centres of excellence in emerging technologies and for promoting training, research and development in these areas. The University has undertaken the task of training students to help in the development of skilled manpower in this sector in the country in general and in the state in particular. With this goal in mind, the university is promoting a number of courses in different streams. At present University have 121 AICTE and 65 UGC institutes affiliated with it.

## ABOUT PSCST Chandigarh

The Punjab State Council for Science & Technology, set up on July 21, 1983 as autonomous society under State Department of Science & Technology started functioning effectively in 1988. It serves as State level node of Department of Science & Technology, Govt. of India and think-tank of Department of Science, Technology & Environment, Govt. of Punjab.

Punjab State Council for Science and Technology (PSCST) has launched SHE (Startup Handholding and Empowering) Initiative, in partnership with leading Incubators, Accelerators and Ecosystem Enablers of Punjab to nurture tech-led women entrepreneurs & startups of the State.

## ABOUT THE WORKSHOP:

Punjab State Council for Science & Technology in collaboration with I K Gujral Punjab Technical University has launched SHE (Startups hand holding and empowerment)- first of its kind initiative supported by the Government of Punjab aims to identify, nurture and accelerate early stage women led Tech based startups in Punjab.

Workshop on this initiative will held on January 31, 2024 at I K Gujral Punjab Technical University, Main Campus, Kapurthala
