General Comments by the Faculty/Teachers:

1. More Seminars or workshop conducted in the college campus
2. Smart Classrooms in every department
3. Arrange educational and other trips
4. Increasing opportunities for internship and live projects
5. Encouraging Skill Development and Communication Skills

Academic Year 2024-25

Action Taken Report on Responses of Faculty/Teachers Feedback

| Stakeholder | Feedback |
|------------------|--|
| Faculty/Teachers | <p>Suggestion for improvement</p> <ol style="list-style-type: none">1. Seminars or workshop shall be conducted at school level2. Smart Classrooms in every department3. Arrange educational and other trips4. Increasing opportunities for internship and live projects5. Encouraging Skill Development and Communication Skills |
| Action Taken | <p>College management took action on these suggestions as following:</p> <ul style="list-style-type: none">• The management has decided to increase the frequency of seminars and workshops, both on-campus and online, to provide more learning opportunities for students.• The college management has committed to addressing this need by equipping various departments with smart projectors and LED screens, thereby enhancing the scope for practical sessions, workshops, and seminars.• The college management consistently organizes educational trips and camps to foster the holistic development and growth of students.• To expand internship opportunities, the college arranges industry-based projects for students on an annual basis.• To further improve students' communication skills, the college management are planning to collaborate with Burlington English, aiming to enhance students' proficiency in this key area. |
