Poster Making Competition on National Pollution Control by Red Ribbon Club

KMS College organized a Poster Making Competition on National Pollution Control, facilitated by the Red Ribbon Club. The event aimed to raise awareness about environmental issues among students. Participants showcased their creativity through powerful messages and artwork, highlighting the importance of pollution control.

Under the theme of National Pollution Control, students depicted the adverse effects of pollution on human health and the environment. The competition provided a platform for students to express their concerns and advocate for sustainable practices.

Judged by a panel of faculty members and environmental experts, the competition recognized outstanding contributions in conveying impactful messages. Winners were celebrated for their creativity and commitment to addressing environmental challenges.

Through initiatives like the Poster Making Competition, KMS College reaffirms its dedication to fostering environmental consciousness and empowering students to become agents of positive change in their communities.
